

Women in HVACR Mentorship Program

8 Questions to Answer Before Your 1st Meeting

Before your first meeting with your mentor, please fill in the following answers and **email to your Mentor**. This will give your Mentor an opportunity to prepare for your meeting so that you can start being productive right away!

1. Provide a little background about your current role in the HVACR industry and how you got started in HVACR. (If you're not in HVACR, what made you interested in the field?) _____

2. Where do you see yourself in one year? Five years? _____

3. What do you hope to get out of this Mentorship relationship?

4. How do you think others perceive you? _____

5. What does success look like to you? _____

6. What are your top 3 strengths?

a. _____

b. _____

c. _____

7. What are your top 3 areas needing improvement?

a. _____

b. _____

c. _____

Don't forget to email this to your Mentor prior to your first meeting! Thank you and happy Mentorship!
